Mrs. Eernisse's Classroom

August

Newsletter #1

First Day of School

We begin on Tuesday (8:45am-3:45pm)!

You may bring your child to their hook on the first day (Tues. or Wed.). Thursday and beyond your child will be dropped off at the door.

Only half the class will come Tuesday, Sept. 6:

Korey, Grace, Everly, Emrys, Abraham, Foster, Maxwell, Cashton, Kason, Chase

The other half will come on Wed., Sept. 7:

Jameson, Hailey, James, Rylee, Madeline, August, Gavin, Kipton, Novanah

We'll all be together starting September 8 and beyond!

Morning Drop-Off

At 8:35 doors will open for students choosing to eat breakfast in the Cafeteria, which is located in the lower level of the building where you will drop off. Drop-off for students not eating breakfast is at 8:45.

Snack Time

We will have a short snack break daily. Please send **one healthy snack and a water bottle** that your child is able to open and close independently every day. I will try to arrange the schedule so your child may provide a birthday treat on or near his/her birthday or half-birthday (if in the summer). **Please alert me of any allergies.**

Bussing & Departure

At 3:45 5K students & their siblings will be dismissed in the lower lot near the gym doors. Please send a note or call the school office if there will be a change in routine at dismissal.

Keep In Touch!

Starting school is such an exciting time! Please do not hesitate to call with any questions or concerns.

Write down my number & email for future reference:

Dress for Success

Learning can get messy! Please send your child in comfortable clothing that can be easily washed. Clothing should be (for the most part) easily put on and off independently by your child. They won't want to wait for my help! For safety reasons, please send them in supportive shoes (no flip-flops or heels).

Seesaw

Seesaw will be the main way we communicate 5K news and information. Please take time prior to the first day of school to **download the app or create an account** on your computer so you don't miss any information the first week of school.

Please use the **information on the attached sheet** to help you complete the process.
